

Student Employment Opportunity
Science Resource Center Tutor

Division/Campus office	Division of Science
Students needed	2-5
Position duration	Fall 2009 (August 26, 2009) Position is renewable for one semester.
Scheduled work hours	5-10 hours per week; hours are currently by appointment.
Requirements	Students must be in good academic standing with a B or better in the course(s) they wish to tutor. Students who are work-study eligible are preferred, but not required.
Position description	Science Center tutors will assist students with coursework in one or more of the following disciplines: biology, anatomy, physiology, chemistry, and physics. Tutors are expected to attend regular meetings with supervisors for training and professional development. They are also expected to communicate as needed with instructors of the course(s) they tutor and to attend one session of the course(s) at the beginning of the semester, if the tutor's own course schedule allows, to introduce the Science Center's services to students.
